Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Wednesday 04 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A sunny start, then heavy showers in the afternoon.

Today:
Sunshine to start the day. Showers persisting through the late morning, turning heavier and possibly thundery by the afternoon. Heaviest in the south, maybe with lightning. Clearer spells in the north. Maximum temperature 22 deg C (72 deg F).

Tonight:
Showers gradually ease throughout the evening, to leave clear spells overnight for many. Staying dry overnight however cloud spreads in from the west during early hours. Milder than previous nights. Minimum temperature 11 deg C (52 deg F).

Thursday:
Cloud thickens, bringing a spell of heavy rain in the morning. Heavy showers and longer spells of rain continue through the rest of the afternoon. Maximum temperature 18 deg C (64 deg F).

Outlook for Friday to Sunday:
Feeling cooler. Slow-moving, heavy thundery showers on Friday with some sunny spells in between. Saturday and Sunday remain unsettled with showers or longer spells of rain.
